Our New Online Catalogue

We have a brand new online catalogue!

Searching for your next read or latest movie is as easy as ever! Simply visit wbrl.ca and use the search bar. Once in the online catalogue you can input your search terms in the search bar and a new window will open with the results. You can use the search limiters on the left hand side to narrow down your results to better suit your needs.

View your checkouts and holds by signing into your account on the top right hand of the screen.

Staff are available for assistance or you can check out our how-to video on YouTube!

Fine Free, Forever!

We started the year off with a bang! As of January 1st, we no longer charge fees on items returned late.

We're committed to reducing barriers and ensuring the library is accessible for all. Patrons will no longer be charged for returning items after their due date. This includes any accrued extended use fees on your account. *Lost and damaged fees still apply.

Visit our website for all the details on what this means for patrons.
